1. What improvements or changes would you like to see in the Whitney Lake Hunting Program?

2. What other activities do you normally participate in while visiting Whitney Lake?

3. Do you hunt/fish/recreate at other Lakes in the region? If so, which Lakes?

4. Are areas to hunt or fish plentiful and affordable for you within 50 miles of your residence?

Hunters can complete the survey requirement by entering their hunting actvities on the website @ whitneylakehunting.tamu.edu by logging in using their first name, last name, and permit number. Surveys can also be mailed in to: U.S. Army Corps of Engineers Whitney/Aquilla Lakes 285 CR 3602 Clifton TX 76634. Surveys will no longer be accepted over the phone or via fax.

Please record the gender of the game taken when recording information concerning: feral hog, white-tailed deer, waterfowl and wild turkeys.

Please note that all hunters must abide by USACE rules and regulations (Title 36) in addition to Texas State hunting rules and regulations such as daily bag limits and wanton waste laws for example.
